Joe celebrated his 4<sup>th</sup> year anniversary with TSI in January 2016, is focused on the healthcare, dental and trade industries, and currently ranks #14 on the Impact Rankings.

Congratulations, Joe, on your accomplishments this year and for being an exceptional example of hard work and building the TSI vision. We are looking forward to your contributions to the Team!

We thank his dad, Mike Bernier, who hired Joe in 2012. Joe credits his success to the many people on his teams that dedicated themselves to being the best they can be while carving out a career here at TSI over the last four years. Joe's grateful for the many people that have been instrumental in his success such as Steve Lentz, Rick Reid and Ann Marie Greenwood.

Joe would like to thank TJ Holman and Steve Dobie for helping to develop him into an SRT member and for continuing to develop successful salespeople throughout the organization.

Please join us in congratulating Joe!
