MACRA's Quality Payment Program: What You Need to Know

Practices only have six months to align with the value-based care models introduced in the new Medicare Access and CHIP Reauthorization Act of 2015 (MACRA) ruling. But in just one hour, you can learn the key takeaways from MACRA—and determine how to advise your customers—without pouring over pages of complex legislation.

In this webinar, our experts will break down the 962-page ruling for you, so you can advise your customers on:

- The ins and outs of the Merit-Based Incentive Payment System (MIPS) and the Alternative Payment Models (APM) tracks
- How these new tracks will impact provider payment
- How to determine which track is right for them
- What providers need to start doing immediately to prepare for MACRA implementation
